### III. Goals, interests, community contribution

Please answer the following questions on a separate piece of paper. If you are accepted, we will use your answers to help guide your experience in StudCo, both as an individual artist and as a member of a unique group making artistic work together, so please spend some time thinking about them!

1. One of the main FFP priorities for StudCo is to create an inclusive atmosphere where everyone feels safe and encouraged to develop their aerial technique, artistry, and expression. How do you imagine helping us create a positive and empowering environment?
2. Have you been in StudCo before?
  - a. If so, what draws you back to the StudCo program?
  - b. If not, what draws you to the StudCo program?
3. Which apparatus(es) do you feel comfortable on? Which would you like to improve on?
4. What do you feel is your biggest strength as an aerialist / dancer / artist / performer?
5. What would you like to improve on? What are your top 3 goals for yourself in the program? If you know, how can your peers and teachers help you reach those goals?
6. How does who you are / what you do outside of FFP inform how you dance and how you interact with other dancers?
7. Is there anything else you would like us to know?

**We are really looking forward to working with our new group of StudCo students. We hope to help you develop as an aerialist and community member, and we hope to help you find group artistic alchemy!!!**
