

## **Frequent Flyers Youth Student Company**

### **What is StudCo and who is it for?**

Frequent Flyers Student Company is for enthusiastic students willing to grow as aerialists, dancers, artists, performers, and team members. Students should have a strong desire to learn more about the art of aerial dance and the have the ability to be a focused, positive presence in classes and rehearsals.

Frequent Flyers Student Company will present its 19th season in Fall 2019, with professional-quality performances at the Dairy Center for the Arts in Boulder.

**MISSION:** The Frequent Flyers® Student Company is a supportive community fostering creative aerial dance performance opportunities while empowering the individual to embody confidence in their artistic and technical abilities. Embedded in a safe, supportive, non-competitive environment, students can soar in their artistic expression, connecting the ground and the air.

**PERFORMANCE THEME:** The theme for this performance is *Musical Legends!*

If a student misses more than 2 rehearsals, it is up to the Student Company Director's discretion whether or not to exclude the student from (1) aerial work in a piece, (2) all choreography in a particular piece or (3) the entire show. This requirement exists for your student's safety, as well as the safety of the students they are performing with. Students missing a mandatory rehearsal on short notice should contact the Education Director, Alysha Perrin (alysha@frequentflyers.org) and your student's instructors as soon as possible before the missed class.

### *Behavior*

- One of the main priorities for StudCo is to create an inclusive atmosphere where everyone feels safe and encouraged to play and to develop their aerial technique and expression. Please be mindful of this goal in all of your interactions at Frequent Flyers, including within your / your child's StudCo classes. As StudCo members, you / your child have the opportunity to be role models on this front! Help us create a positive environment.
- In addition to absences, the Student Company Director may dismiss a student at any time from the piece/performance/Student Company if problems with the policies stated in the Student Company contract or Frequent Flyers Aerial Dance Handbook persist or the presence of an issue is detected that is considered inappropriate for the well being of the Student Company.

**Wednesday nights from 5:45-6:15pm** the students have a break between classes. This is a great time not only for snacks or dinner, but also a built in block for social time. Spending time together outside of class helps the students get to know one another, build community, and have fun! Do note that we are not able to provide formal child care during this time. There will be staff in the office and/or teachers in the studios. If you feel comfortable with your child being at the studio without formal supervision, then we encourage you to let them stay at this time to spend some time with their fellow company members.

### **D. Communication**

Your instructors, the Student Company Director, and the Education Team want you / your child to feel comfortable voicing your joys, concerns, and confusion to us! Your instructors are available during class time to help the students sort through any choreography- and show-related issues. If you'd like to share feedback or concerns, please feel free to catch up with the teachers after class or email the Student Company Director, Sarah Harrison, at [Sarah@frequentflyers.org](mailto:Sarah@frequentflyers.org) or Alysha Perrin at [Alysha@frequentflyers.org](mailto:Alysha@frequentflyers.org). Sarah and Alysha will also communicate with StudCo members and parents/guardians primarily through email to relay any important information about assignments, supplies, costumes, performance details, scheduling, etc. In most instances, they will include the student and the parent(s)/guardian(s) on these emails. When possible, please give the student an opportunity to respond and further develop their sense of personal responsibility. Depending on the age of the child, it may be more appropriate for the parent/guardian to respond. It is important that you and/or your child check your email regularly and respond within a few days, and it is ultimately the parent(s)/guardian(s)'s responsibility to make sure you have received the information.
