

Frequent Flyers Youth Student Company

What is StudCo and who is it for?

Frequent Flyers Student Company is for enthusiastic students willing to grow as aerialists, dancers, artists, performers, and team members. Students should have a strong desire to learn more about the art of aerial dance and have the ability to

be a focused, positive presence in classes and rehearsals. Frequent Flyers Student Company will present its 26th season in Fall 2023, with professional-quality productions at the Dairy Arts Center in Boulder.

MISSION: The Frequent Flyers® Student Company is a supportive community fostering creative aerial dance performance opportunities while empowering the individual to embody confidence in their artistic and technical abilities. Embedded in a safe, supportive, non-competitive environment, students can soar in their artistic expression, connecting the ground and the air.

- 1 aerial technique class each session: Fall 1, Fall 2, and Fall 3. You may take different technique classes each session.

Absentee Policy

- Mandatory Theater Rehearsals include Technical Rehearsal, Dress Rehearsal, and the Performances at The Dairy Arts Center. **If the student has a conflict with a mandatory rehearsal, the guardian / student must report that conflict in their application and contract, and must email Casey casey@frequentflyers.org by**

Wednesday, August 30th. Excused absences will be considered under special circumstances.

- Mandatory Rehearsals include all Wednesday Student Company classes at Frequent Flyers. An absence is only considered excused if you have contacted the office prior to the date of the absence. If a student misses more than 2 rehearsals, it is up to the Student Company Manager's discretion whether or not to exclude the student from (1) aerial work in a piece, (2) all choreography in a particular piece or (3) the entire show. This requirement exists for your student's safety, as well as the safety of the students they are performing with. Students missing a mandatory rehearsal on short notice should contact the Student Company Manager, Casey Pottle (casey@frequentflyers.org) and your student's instructors as soon as possible before the missed class.

Behavior

- One of the main priorities for StudCo is to create an inclusive atmosphere where everyone feels safe and encouraged to play and to develop their aerial technique and expression. Please be mindful of this goal in all of your interactions at Frequent Flyers, including within your / your child's StudCo classes. As StudCo members, you / your child have the opportunity to be role models on this front! Help us create a positive environment.
- In addition to absences, the Student Company Manager may dismiss a student at any time from the piece/performance/Student Company if problems with the policies stated in the Student Company contract or Frequent Flyers Aerial Dance Handbook persist or the presence of an issue is detected that is considered inappropriate for the well being of the Student Company.

Communication

Your instructors, the Student Company Manager, and the Education Team want you to feel comfortable voicing your joys, concerns, and confusion to us! Your instructors are available during class time to help the students sort through any choreography- and show- related issues. If you'd like to share feedback or concerns, please feel free to catch up with the teachers after class or email the Student Company Manager, Casey Pottle, at casey@frequentflyers.org or Nancy Smith at nesmith@frequentflyers.org. Casey and Nancy will also communicate with StudCo members and parents/guardians primarily through email to relay any important information about assignments, supplies, costumes, performance details, scheduling, etc. In most instances, they will include the student and the parent(s)/guardian(s) on these emails. When possible, please give the student an opportunity to respond and further develop their sense of personal responsibility. Depending on the age of the child, it may be more appropriate

for the parent/guardian to respond. It is important that you and/or your child check your email regularly and respond within a few days, and it is ultimately the parent(s)/guardian(s)'s responsibility to make sure you have received the information.
